GEL, ACRYL AND NAIL DESIGN

RANARA NAILS™

is a complete Nail Technology Brand and Training Academy. We offer the Professional Nail Technician a wide range of high quality Gels and Acrylics, a wide range of Nail Technology tools and Nail Art accessories. *RANARA NAILS™* is not only committed to supplying the best in products at the most affordable prices, but also committed to professionals with everything---services, education and all time support.

Our Nail Care products are extensively tested in labs before it reaches the hands of our customers.

Since 2005, *RANARA NAILS™* has been in Indian market to offer best quality nail products. We believe that our number one business is education. All of our Nail Systems are supported by the best in international training. Our goal is to train nail technicians at the International level and provide our students with comprehensive internationally recognised training in Gel, Acrylic and Nail Art.

Our business philosophy is simple, if the Nail Technicians and businesses we supply don't succeed, we don't succeed.

ROYAL CLEAR GEL

Royal Clear is a Builder gel. Thick, strong gel used for tip overlays and free form sculpting. The smooth, creamy texture of these self-leveling gels makes for an effortless application. Recommended for nail technicians.

0101

0102

0101 - 15g
0102 - 25g

ROYAL PINK GEL

Royal Pink is a Builder gel. Thick, strong gel used for tip overlays and free form sculpting. The smooth, creamy texture of these self-leveling gels makes for an effortless application. Used with French permanent application with white gels. Recommended for nail technicians.

0103

0104

0103 - 15g
0104 - 25g

FRENCH SOFT WHITE GEL

French Soft White Gel is a medium viscosity used for tip overlays and free form sculpting. The smooth, creamy texture makes for an effortless application and gives ultimate control for forming the perfect smile line. The soft white colour is used for a more subtle and natural French manicure.

0105

0106

0105 - 15g
0106 - 25g

UV GEL

SHINING GEL

Shining Gel is a durable, high shine Top/finishing gel that is self-leveling and can be used with all gel and acrylic systems. A thicker version of our Top Gel, Shining Gel has low odor, low heat, and produces a hard shiny finish. Recommended for all nail technicians.

0107 - 15g

0108 - 25g

0107

0108

SUPER GLOSS UV TOP COAT

This Top coat is a thin UV finishing gel that has no tacky residue after cure. The product cures in less than 2 minutes, is solvent resistant and delivers a high shine finish. Eliminates the amount of buffing needed to finish acrylic and gel nails and prevents color staining from nail polishes. Use over all artificial nails systems and color gels for the brightest finish available.

0109A

0109B

0109A - 15ml

0109B - 15ml

0111

0110

0110 - 15g

0111 - 25g

AQUA CLEAR GEL

Aqua Clear Gel is a one phase gel that has excellent adhesion to the natural nails and cures to a strong, high gloss finish. This self leveling gel is ideal for sculpting over tips and forms. Primer use is optional. Recommended for beginners and advanced nail technicians.

MIST PINK GEL

Mist Pink Gel is a uniquely coloured builder gel that closely matches the colour of a natural nail bed. It can be used to hide imperfections on the nail or to extend the nail bed to enhance the look of the nails.

0112

0113

0112 - 15g

0113 - 25g

FROZEN WHITE GEL

Frozen White Gel is ideal for creating brilliant white tips and a perfect smile line for French applications. It is self leveling and does not have tacky layer after curing.

0114

0115

0114 - 5g

0115 - 15g

NATURELE GEL (Natural Nails)

Naturele Gel is a natural nails overlay gel that has great flexibility, shine and adhesion. It adds strength to the natural nails, allowing them to grow. Can be soaked off in acetone for easy removal. Cures in less than 3 minutes. Used for after care of nail extensions.

0116

0117

0116 - 5g

0117 - 15g

COLOUR GELS

Color gels are high shine top gels created in a series of colours to replace nail polishes. Also used to make aquarium and permanent designs. These durable, thin gels are easy to apply, self leveling and flexible.

HOT PEPPER

0118 - 5g

PARADISE

0119 - 5g

MOCHA

0120 - 5g

ACRYLIC CLEAR POWDER

Polymer is flexible and gives good adhesion. Has excellent hardness, adhesion, clarity and strength.

0201 - 20g

0202 - 80g

ACRYLIC PINK POWDER

Polymer is flexible and gives good adhesion. Has excellent hardness, adhesion, clarity and strength. Applied with Acrylic White Powder for French permanent application and strength.

0203 - 20g

0204 - 80g

0205

0205 - 20g

ACRYLIC WHITE POWDER

Polymer is flexible and gives good adhesion. Has excellent hardness, adhesion, clarity and strength. Used for French permanent application.

PROFI MONOMER LIQUID

This Monomer is specifically formulated to have better nail adhesion properties. It contains UV inhibitors for added durability and flexibility. Allows to work without primer application on the nails.

0206 - 50ml

0207 - 100ml

0206

0207

ODORLESS MONOMER LIQUID

Odorless Monomer has lower odour compared to other monomers. Enables strong and durable finished nails. The tacky layer minimizes the amount of dust while filing.

0208 - 100ml

0208

0209

0209 - 15ml

PRIMER / ULTRABOND

Primer/Ultra Bond is used to promote adhesion to the natural nails. Works perfectly with all gel and acrylic systems.

COLOUR ACRYLIC POWDERS

These highly pigmented powders are strong, durable and provide long-lasting colour for various nail art application needs. Available in Red, Blue, Yellow, Green, Black, Neon Orange, Neon Green, Neon Blue, Mango, Pink, Yellow Glitter, Silver Glitter, Electric Blue Glitter, Aquamarine Glitter, Mauve Glitter.
